

**APPENDIX 1D  
UPDATE TO THE TRINITY COUNTY 2010 REGIONAL  
TRANSPORTATION PLAN MEMORANDUM AND TRINITY COUNTY  
CONTACT LIST**

## MEMORANDUM

Date: May 14, 2009

To: All Interested Parties

From: Rich Ledbetter (Project Manager)

***Subject: Update of the Trinity County 2010 Regional Transportation Plan***

---

Fehr & Peers, Transportation Consultants, have been contracted by the Trinity County Transportation Commission to complete an update to the County's existing 2005 Regional Transportation Plan. The updated 2010 plan will focus on transportation programs and projects that are needed in Trinity County over the next 20 years. The horizon date for the 2010 RTP will be the year 2030.

It is anticipated that the planning process will take approximately one year and will involve recommended improvements and programs for all modes of transportation including auto, truck, bicycle, transit, pedestrian, freight, and aviation. During the planning process there will be opportunity for you to review written material, attend meetings, and provide your input and comments at County events. The project managers and contacts for the project are:

Jan Smith – Trinity County Department of Public Works (530.623.1365)

Katy Cole – Fehr & Peers, Reno Office (775.826.3200)

Rich Ledbetter – Fehr & Peers, Roseville Office (916.773.1900).

We look forward to working with you on updating this important planning document. Please feel free to contact one of us if you have questions or comments about the update process.

Thanking you in advance for your participation.
