

# **TRINITY COUNTY REGIONAL TRANSPORTATION PLAN**

---

*October 2011*

## TABLE OF CONTENTS

|  |      |
|--|------|
| EXECUTIVE SUMMARY .....                                      | i    |
| Regional Transportation System .....                         | i    |
| Policy Element .....   | vi   |
| Action Element .....   | viii |
| Financial Element .....                                      | ix   |
| 1. INTRODUCTION .....  | 1    |
| Regional Setting .....                                       | 1    |
| Demographic Profile .....                                    | 2    |
| Purpose of the Plan .....                                    | 6    |
| Report Organization .....                                    | 7    |
| Transportation/Land Use Integration .....                    | 7    |
| Coordination .....   | 8    |
| 2. ASSESSMENT OF NEEDS .....                                 | 16   |
| Socio Economic Conditions .....                              | 16   |
| Roadway System .....   | 18   |
| Existing Traffic Volumes .....                               | 23   |
| Roadway Operations .....                                     | 30   |
| Safety .....   | 42   |
| Transit .....  | 43   |
| Transit Needs Assessment .....                               | 49   |
| Aviation Facilities .....                                    | 51   |
| Rail Service .....   | 55   |
| Non-Motorized Facilities .....                               | 55   |
| Air Quality .....  | 57   |
| Climate Change and Greenhouse Gas Emissions .....            | 58   |
| 3. POLICY ELEMENT .....                                      | 63   |
| Statewide Issues .....                                       | 63   |
| Regional and Local Issues .....                              | 66   |
| Goals, Objectives, and Policies .....                        | 67   |
| RTP Consistency Evaluation .....                             | 75   |
| 4. ACTION ELEMENT .....                                      | 79   |
| State and Regional Planning Processes .....                  | 79   |
| Action Element Assumptions .....                             | 79   |
| Program-Level Performance Measures .....                     | 80   |
| Application of Performance Measures .....                    | 82   |
| Project Purpose and Need .....                               | 84   |
| Project Programming and Selection Criteria .....             | 85   |
| Completed Projects .....                                     | 86   |
| Noteworthy Changes to Project Lists: 2005 vs. 2010 RTP ..... | 87   |
| Regional and Local Action Programs .....                     | 88   |
| Project Priorities .....                                     | 88   |
| State Highway Projects .....                                 | 88   |
| SHOPP – Not-Programmed .....                                 | 89   |
| 2010 RTIP .....  | 89   |
| County Road and Bridge Projects .....                        | 90   |
| Transit Projects .....                                       | 90   |
| Non-Motorized (Bicycle and Pedestrian) Projects .....        | 90   |

|   |     |
|---|-----|
| Aviation .....                                  | 90  |
| Unconstrained Projects .....                    | 91  |
| Transportation Systems Management .....         | 91  |
| 5. FINANCIAL PLAN.....                          | 93  |
| Approach .....                                  | 93  |
| Summary of Revenues and Costs.....              | 94  |
| Total Revenue Summary.....                      | 94  |
| Total Cost Summary.....                         | 95  |
| Federal Revenues .....                          | 96  |
| State Revenues .....                            | 99  |
| Local Revenues.....                             | 101 |
| Project Cost Summary.....                       | 102 |
| Project Costs vs. Total Revenues .....          | 103 |
| Funding Strategy .....                          | 103 |
| Support Actions to Maximize Limited Funds ..... | 105 |
| 6. ENVIRONMENTAL ASSESSMENT.....                | 106 |

## APPENDICES

|             |  |
|-------------|--|
| Appendix 1A | Glossary of Terms  |
| Appendix 1B | Trinity County Transportation Commission (TCTC) Public Involvement Procedures  |
| Appendix 1C | Memorandum of Agreement North State Super Region   |
| Appendix 1D | Update to the Trinity County 2010 Regional Transportation Plan Memorandum and Trinity County Contact List  |
| Appendix 1E | Steering Committee Meeting Summary Memorandum (Meeting #1, #2 and #3)  |
| Appendix 1F | Public Workshop Summaries  |
| Appendix 2A | US Census Data   |
| Appendix 2B | Caltrans Structure Maintenance & Investigations – Trinity County   |
| Appendix 2C | Trinity County Travel Demand Forecasting Model Development Report  |
| Appendix 2D | Intersection Level of Service Technical Calculations   |
| Appendix 2E | Weaverville Traffic Signalization Study<br>Attachment A – Signal Warrant Analysis<br>Attachment B – Scenario 1: Unsignalized Intersections<br>Attachment C – Scenario 2: Signalized Intersections<br>Attachment D – Scenario 3: Signalized and Roundabout Intersections<br>Attachment E – Traffic Vibration Assessment: Trinity County Intersection Improvements |
| Appendix 3A | California Transportation Plan (CTP) 2030 Executive Summary  |
| Appendix 3B | California Strategic Highway Safety Plan – Fact Sheet  |
| Appendix 3C | Shasta-Trinity National Forest Motorized Travel Management Plan Consistency  |
| Appendix 4A | 2010 RTP Capital Improvements State Highway Projects (SHOPP)   |
| Appendix 4B | RTIP for Trinity County – 2010 State Transportation Improvement Program (STIP)   |
| Appendix 4C | 2010 RTP Capital Improvements County Road and Bridge Projects  |
| Appendix 4D | 2010 RTP Capital Improvements Transit Projects   |
| Appendix 4E | 2010 RTP Capital Improvements Non-Motorized Projects   |
| Appendix 4F | 2010 RTP Capital Improvements Aviation Projects  |
| Appendix 4G | Future RTP Capital Improvements Unconstrained Projects   |
| Appendix 5A | Revenue Estimates  |
| Appendix 6A | Environmental Documentation  |
